

## LABAID THUMB HOOK ISOLATION GOWN

### PRODUCT DESCRIPTION

**Labaid Polyethylene Thumb Hook Isolation Gowns** offer excellent fluid protection while retaining comfort and breathability during extended wear. The gowns are ideal for applications where there is a high risk of fluid exposure, comfortably protecting wearers with full-frontal apron style coverage. In addition, the gowns have an overhead design for convenience in various exposure environments. There is an open back for ventilation and thumb hooks for a secure fit to prevent sleeve slide. The gowns are made with fluid-impervious polyethylene, not with rubber latex.

- Universal size
- Thumb loop wrist style
- 100 gowns per box

**LA-051600**

Size: 120 x {90 x 2} cm  
Packing: 10 gowns x 10 bags / box
